Lions Club Adopts English Town; To Send Packages

A worthwhile charitable project was announced this week by the Ocean Beach Lions club. The club has adopted the small English village of Wyke Regis in Dorset county, and plans to regularly send large packages of essential items to the war-wrecked community. Bill Stone, program chairman, who is organizing the project, informed The News that this particular community was chosen on the recommendation of Hal V. Lee, San Diego business man who recently returned from a tour of Great Britain.

Mr. Stone emphasized that the charity is not limited to members of the Lions club and urged any residents of Ocean Beach who would like to contribute to this project to get in touch with himself at B-3816 or any other Lions club member and the donations will be picked up. Especially needed by the 600 residents of war-stricken Wyke Regis are warm clothing, including socks, sweaters, and other wool articles, shoes, soap, and other non-luxury items.

From time to time The News will publish letters of thanks from the residents of Wyke Regis. This newspaper will also welcome suggestions regarding any other European village or town which is especially in need of help, as other civic organizations have voted a desire to adopt such a community.

SERVICES THURSDAY FOR FRANK LOGAN ROE

Funeral services were held yesterday at Beardsley Funeral Home here for Frank Logan Roe, 62, of 4345 Mentone, who died Wednesday in a local hospital. A retired maintenance man, Mr. Roe had lived in Ocean Beach since he came here from Oklahoma six years ago. He was born in Iowa, January 26, 1885. Interment will be in Bartlesville, Okla.

He is survived by two sons, Reginald and William H. Roe, by two sisters, Mrs. F. O. Baker and Mrs. F. H. Hildreth, by two brothers, Victor and Clyde Roe, and by his mother, Mrs. Ella Gregg.

A daughter was born August 28 to Mr. and Mrs. George Medin, (the former Betty Hurley) of 1621 Cable at Balboa hospital. She was named Kathleen.

MEET YOUR OCEAN BEACH NEIGHBORS

This week we'd like to have you meet Bill Bergman, genial owner of the Strand Radio Company. Bill's faith in the future of Ocean Beach is testified by his decision to enlarge his facilities by moving the Strand appliance department into separate quarters in the new Allen building now being constructed in the 4800 block on Newport Ave.

Bill (William A.) was born in Chicago on March 12, 1911, and attended elementary and high schools there. In 1929 he graduated from the Tilden Technical High school. Although Bill was honored by receiving a scholarship to the University of Chicago, the business world seemed more attractive at the time and three years later he decided to try his luck in the promised land, namely California. Arriving in San Diego, Bill got a job and spent his spare time studying in an extension course in electrical engineering at the University of California. In 1933, he took over the Strand Radio Co. here in Ocean Beach for William Deull, who was in ill health. Later he assumed ownership of the store, which featured radios, electrical appliances and records.

In 1939, Bill married Helen Greenwell of San Diego, and the couple moved into their present address at 4818 Orchard Ave.

In 1942 Bill received a call to help the war effort by teaching a radio materiel class for Marines at the San Diego Vocational School. He left the store in charge of his sister, Mrs. G. Lloyd. In 1944 Bill accepted a position with the University of California extension department as a technician in the Naval Sound Laboratory on Point Loma. He also spent some time at the

Cub Scouts Enjoy Breakfast Outing Sunday, Aug. 24

Cub Scouts of Pack 28 enjoyed their third outdoor meeting of the summer when they participated in a breakfast hike Sunday morning, August 24. Cubmaster Glenn J. Smith reports that the Cubs and their dads hiked from the school grounds here to the clearing at Chatsworth and Coronado streets. The mothers were allowed to drive to the spot. There they cooked their breakfasts, D. W. Siebert manning the coffee and chocolate pots. Bacon, eggs, and sausage comprised the blueplate. After breakfast the boys set out on a treasure hunt. Milt Lancaster contributed bubble gum for the Cubs and the Ocean Beach Kiwanis Club donated other prizes.

In June the Cubs enjoyed a picnic in Presidio Park, where ten cases of soda pop were furnished by Graham Rogers of the

Navy's laboratory at Sweetwater Lake. During this time Bill rounded out a full day by continuing to teach night classes at the Vocational School.

In May, 1946, Bill returned to the Ocean Beach store and resumed the sale of radios and appliances, in addition to the records and toys which Mrs. Lloyd had featured.

Even in his spare moments, Bill doesn't manage to get very far from his chosen field of radio and electronics, for his hobby is building all kinds of receiving sets and electrical gadgets in his home workshop. He has built everything from transmitters to automatic door-opening devices, mostly for his own amusement. Whenever Bill finds the need for some outdoor activity, it's a good bet he'll be out giving the deep sea fish a bad time.

Ocean Beach 23-Unit Residence Apartments Sold

HARRY WILLIAMS AND WIFE SELL HOLDINGS TO MRS. H. STARLASKY

Mr. and Mrs. Harry Williams have closed a deal for the sale of their large holdings of apartment residence courts in the 1600 block on Sunset Cliffs Blvd., they informed The News this week.

The deal is believed to be one of the largest of its kind thus far in Ocean Beach property. They sold to Mrs. Helen Starlasky of Ocean Beach and the latter has already taken possession. E. Kemper Nelson handled the deal, Harry reports.

Included in the deal are 23 residence units in 10 buildings, all in the 1600 block between Santa Cruz and Coronado Aves.

All the units, which are generally regarded as having an unusually choice location here, were built in 1940 and 1941.

The consideration was not announced.

Mr. and Mrs. Williams announce that they have retained their own home, Shalom House, at 4763 Santa Cruz Ave., which they recently completed.

Comdr. and Mrs. R. W. Butcher of 4860 Narragansett Ave. departed Wednesday for New York, N. Y. on a combination business and pleasure trip. Comdr. Butcher will spend most of his eight weeks' vacation conferring in New York with Naval administrators and Mrs. Butcher will be visiting with her family in Gloucester, Mass. Driving East, the couple took "Vickie," their well known canine with them.

By Director John Wood

Preliminary to displaying their hobbies to the public at the Craft and Hobby show to begin today (Friday) in Balboa park, Ocean Beach residents showed objects of their craft or collection at the Community Center here Tuesday night. A special attraction for children and adults was the train display shown here Tuesday by William D. Baker and Donald Lawhead at the Community center. Drawings and art work to be used in the Ocean Beach display at Balboa park were shown by Jack Hiltz. Ceramics and oil painting and sculpturing were shown by Hatty Tennant, plastics by R. N. Council Adopts Report Retaining Diagonal Parking

San Diego City Council this week adopted a report from the City Manager's office retaining diagonal parking for Newport Ave. in Ocean Beach. The City Manager's office reported that the action was taken in deference to the wishes of the majority of the interested Ocean Beach citizens who had expressed their opinions on the question.

Following the Council's action Tuesday orders were issued to have the painting of the diagonal stripes done. On inquiry of Assistant City Manager Verne Parker Thursday, The News learned that the plan is to do the painting starting early next week.

A City painting crew was working in Ocean Beach Wednesday and Thursday re-painting the cross walks on Sunset Cliffs Blvd. near the Ocean Beach Elementary school and also painting "Slow" signs on the pavement in that section.

Drive Under Way For A 20-30 Club For Ocean Beach

A campaign has been launched here looking toward the organization of a 20-30 service club in Ocean Beach. The News learned Thursday from Paul Slaughter of 4604 Point Loma Ave. The latter is president of the downtown San Diego 20-30 club, a club that now has about 60 members, he says. Slaughter is head of the Canteen Service, with office on Abbott St.

He announced that Bill Perkins of Brighton Ave. is doing the "ground work." Perkins is contacting as many interested young men as possible here, the ages for membership in the club being from 20 to 30.

"When about 15 prospective members have been assured, we plan to hold our first organizational meeting," Slaughter stated. "Any Ocean Beach young man interested can obtain further information by phoning Mr. Perkins either at B-6954 or Franklin 9-2131."

"While the down town San Diego 20-30 club is keenly interested in the organization of an Ocean Beach 20-30 club, the Coronado 20-30 club is the one that is really launching and sponsoring the campaign," Slaughter pointed out.

O. W. JORDAN TO MOVE SHOP TO HIS BUILDING AT 5030 NIAGARA AVE.

O. W. Jordan, veteran Ocean Beach plumber, announces that he is to move the office and display room for his plumbing and heating business to his own building at 5030 Niagara Ave. within the next week. He is remodeling the latter building, where he has had a warehouse for several years, to equip it with both office and display room.

Jordan has been conducting his own plumbing business in Ocean Beach for 16 years and has been in the same location with the Ocean Beach Arrow Transfer for that length of time. For the past six years they have been located at 5040 Newport Ave. The transfer business will continue at that location, Gene Henderson, the proprietor, reports.

Mr. and Mrs. Don Bailey of 842 Cordova St. are the parents of a son born to them August 9 at Mercy hospital.

The Beachcomber

Seen: The morning broom brigade on Newport avenue, still injecting considerable quantities of mullarkey into their efforts. Seems like the local merchants are more inclined to let down their hair and gossip with one another when they've got a broom in their hands. . . Mrs. McCallum looking with approval on the new sign on the east side of her beauty salon, which is so handily illuminated at night by the profuse lights on Glen Jones' new station.

Heard: That Andy Tosh's Bob and other Voltaire street dogs are bitterly opposed to the plan of cutting down the cypress trees on that street. . . That Doc Wilhoit won for a change at the races the other day.

Bouquet of the Week: To the Ocean Beach Lions Club, for its fine public-spiritedness in adopting a war-wrecked English village and sending much-needed supplies to the residents of that community.

C. of C. Prepares Letter On Route To Mission Beach

In response to a request from City Planning Director Glenn Rick, the Ocean Beach Chamber of Commerce Civic Affairs committee is preparing a statement setting forth the Ocean Beach position on the routing of the new highway and bridges in Mission Bay park between Ocean Beach and Mission Beach, Secretary Rolin Shaw reported Thursday. The statement aims to embody the majority sentiment of Ocean Beach Civic, Service club and other groups as set forth in a recent community meeting of representatives of these organizations held in the Community center.

Rick had asked for such statement while he was in conference with the Civic Affairs committee at his office one day last week. This committee has been busy on the proposition for several weeks and hopes to have the statement ready to turn over to Rick in the near future.

Before it can be turned over, however, the Civic Affairs committee asks that accredited representatives of every Ocean Beach Civic body, Service club and other local interested organizations pay a visit to the Chamber of Commerce office in the Strand Theatre building and sign the statement. The committee announces that these groups are asked to sign the statement promptly in order that it may be transmitted to Rick at the earliest moment possible.

Mr. and Mrs. R. N. Pearson of 5119 Muir Ave. had guests from Iowa during August 16 and 17. The visitors were Mrs. Estaline Flannagan and son Larry of Grinnell, Iowa. Mrs. Pearson and Mrs. Flannagan had been school chums while in high school at Grinnell.

Star Swimmers Expected To Enter Mission Bay Event

A one-mile Bay swim, exhibitions by the water skiers of the San Diego Speedboat association and numerous aquatic entertainments will feature the first annual Mission Bay Water festival to be held Sunday, September 7 at Santa Clara point in Mission Bay, the Mission Beach Business association, sponsors of the event, announced this week.

The Bay swim, marking the beginning of a vast project of plans for aquatic events of national importance in the Bay Park, will have many of the same array of names from the swimming world as the recent La Jolla Rough Water swim. Walter Stewart, winner of the La Jolla event this year, will again tackle his close rivals in the former event, Herb Barthels of Los Angeles and Jim Marcus of the Pasadena Athletic club.

Recreation Dept. Handling Entries

The City Recreation department is cooperating with the Mission Beach association and is handling the matter of entries, The News is informed.

Attention of all Ocean Beach swimmers expecting to enter the big swim festival is called to the arrangements whereby they can

Comdr. Crofton Tells Lions Club About Submarines

Comdr. Bunny Crofton, retired Navy submarine officer, was the main speaker at the August 21 evening meeting of the Ocean Beach Lions club, held at the Recreation center building. The commander had served in both World War I and World War II and told of his experiences on submarines. He particularly emphasized the high degree of training and coordination necessary for all submarine crews.

Bob Stevenson, president of the club, was in the chair. Several visitors at the meeting were introduced.

A feature, about which several of the members bragged this week, was the special steak dinner prepared and served by Chef "Frenchy" of the Coffee Cup Cafe, the club's caterer.

Five Delegates Named To Legion State Convention

POST ALSO PLANS FOR EIGHT-TEAM BOWLING LEAGUE COMING FALL

Election of five delegates and five alternates to the state Legion convention to be held in Los Angeles Sept. 21, 22 and 23 featured the August 21 meeting of Clyde A. Wright Post No. 433, held at the Woman's clubhouse. Those elected were Post Commander S. G. Fold, Past Post Commander Wm. G. Brittain, Five Vice Commander Roy Anderson, Comrade Roy W. Orrick and James Conger. The alternates named were Sgt.-At-Arms V. Duval, and Comrades P. Driscoll, R. Loge, R. C. Rowe and J. D. Woodmansee.

Publicity Chairman F. C. Santerre of the Legion Post provides for The News the following additional report on the meeting, held here August 21:

"A bowling league is now being formed for the Winter league at the Ocean Beach Bowl. Roy Anderson is chairman of arrangements. Any comrades of Clyde A. Wright Post wishing to bowl, should contact Roy at the Ocean Beach Bowl. We are endeavoring to have eight teams to make a complete Legion League, benefits to go to our Post.

"A motion was passed to sell concrete mixer and block machine owned by the Post. It has been cleaned up and painted and is now for sale.

"The Post is anticipating having our own building and Club rooms in the near future, and at present is looking for a suitable building. Any one having information as to a suitable place, please contact Commander Fold."

Expect 50,000 At L. A.

The Legion Press Service at Los Angeles informs The News that the convention director estimates an attendance of about 50,000.

The director says, "this will be the first full scale convention of the California American Legion since before World War II, with all of the parades, pageants, contests and other colorful features of pre-war conventions."

HE TELLS KIWANIS CLUB LOCAL BEACH TOPS LIST OF OCEAN BEACH ASSETS

Number one asset and advantage to Ocean Beach is its local beach, Sam Hamill, well known San Diego architect, told the Kiwanis club at Tuesday night's meeting, held at Wallace hall. "Proximity to the ocean is Nature's greatest gift to Ocean Beach," he said. He spoke on "Civic Development in Ocean Beach" and his talk was replete with suggestions along that line. He was introduced by Dr. W. B. Oster, program chairman for the evening.

After telling of the history of Ocean Beach, he gave the following as additional advantages and assets in this community:

Relatively good soil and good surface drainage.

No industrial pollution.

No conflicting racial groups.

Good schools and churches.

Suggests Improvements

Then he made the following suggestion on civic improvement for Ocean Beach:

1. Circle freeway highway to Ocean Beach following the Mission Bay and Ocean fronts much as possible and then circling over the hill to tie in with Harbor Dr. at its western end.

2. Develop a small civic center to further promote a compact business district and to further foster community spirit.

3. Systematic planting of trees along residential streets here. He suggested that if all the streets were lined with the flowering oleander tree Ocean Beach would really become distinctive as well as more than ever attractive.

4. Promote a clean-up and paint-up campaign among all the residents here particularly of the smaller houses.

5. Develop Collier park, the park that lies in Ocean Beach. Though an eyesore now this park could be made an outstanding attraction in Ocean Beach.

6. Large open air swimming pool. Suggestion was made that this could be made a feature of the Collier park improvement.

Hear Pointers On Building

The Kiwanians also heard from John Lewis of San Diego, speaking on "Methods and Materials in Building." Lewis said that although methods and materials have not changed much there are several new materials now being used in building. Among these he listed asphalt tile, rubber tile and cork for floors, plywood for walls, cane fiber board for ceilings, copper and aluminum for sheeting and spouting items and corrugated glass to decorate bath rooms and kitchens.

MARC STRAUSS' BROTHER PASSES AWAY AUGUST 24

The News extends sympathies this week to Marc Strauss whose brother, Clarence Strauss, passed away August 24 at 53 after being hospitalized three weeks in Long Beach.

Mr. and Mrs. Marc Strauss left Monday for New Orleans, La. where his brother's body was taken for burial. Marc is the only surviving member of the family, since his sister also died two years ago.

Miss Peggy Ernst of Philadelphia left here Aug. 10 after a six weeks' visit at the home of Mr. and Mrs. Horace Shugard, 4853 Del Mar Ave.

AZURE VISTA ACTIVITIES

Azure Vista's contribution to the Hobby Fair at Balboa Park this week-end will be four performances of "Snow White" the puppet show presented by children of the community center handicraft classes. A special stage and puppet theater has been erected in the Federal building by the recreation department for the show, reports Recreation Director Richard A. Kelley of Azure Vista. Shows are scheduled for 2:30 and 7:30 p.m. on Sunday and Monday. Those appearing will include Patty Jones, Deante Morehouse, Trevor Lyons, Bobby Kemp, Kenneth Meader, James Rogers, Gerry Geer and Robert Grom. Electricity is worth waiting for

Just picture the advantages of having running water on hand all of the time... for irrigation... in the house... in the barn and out-buildings. And it can be an economical reality... when you pump water electrically. Small wonder then that 4,000 new customers in San Diego County have applied for electric service and are waiting for the convenience of new fully automatic ranges, water heaters, automatic washers, dishwashers, sinks, home freezers, pumps and other appliances that electricity makes possible.

And WHY some are waiting

Extending service to 4,000 new customers under existing postwar conditions requires TIME. Shortages of construction materials and trained personnel continue as major bottlenecks. Hard-to-get copper wire, transformers and line equipment are being secured in slowly increasing quantities. Many men have been employed, but training requires time. Advertisements in eastern publications for experienced workers produced poor results and prompted the establishment of a school in Chula Vista where ex-G. I.'s and others are being given an eight-months' course of training as linemen.

Our own line construction crews have been augmented by 16 additional private contractor crews and line construction is going ahead at a tremendously accelerated rate. New customers are now being connected at the rate of over 600 a month, reducing the backlog of applications to approximately 4,000. As new services are "cut in", we frequently hear this expression: "... Now we have electric service; it was worth waiting for!"

Mr. and Mrs. J. S. Bryant and their two daughters Pattie and Jackie spent the weekend of August 22-24 camping on Hauser Creek. The trip was occasion for the christening of their new camping trailer which Mr. Bryant has just completed. Swinging at it with a bottle of 7-Up, the Bryants named it "Marney." The family plans the weekend of August 29-31 at Idylwild as an additional proving ground for "Marney."

Entry blanks also are available at the Ocean Beach News office. Divisions in the Bay swim are men's and women's class, junior boys' and girls' class and veteran's class for those over 45 years. Awards will be given to the first three who finish in the men's and women's divisions and to the winner of the other three divisions. The course of the Bay swim will start at the south side of El Carmel point and continue around that point north until it reaches the south bank of Santa Clara point. Flagged buoys will mark the course.

Featured in the water ski exhibitions will be "Bud" Leach, Betty and Milt Wisdom and several other high ranking stars in that sport. The swimming event is sanctioned by the Southern Pacific association of the Amateur Athletic Union.

Negligent Drivers Face Loss Of Car Driving License

Negligent drivers face suspension or revocation of licenses, Edgar E. Lampton, director of the State Department of Motor Vehicles, informed The News this week.

The San Diego Police department has joined with the California Department of Motor Vehicles in a State-wide program to take immediate action against traffic violators and accident-prone drivers. Careless and reckless motorists of this area, who have been cited several times during the past year face the prospect of losing their driver's privileges, a representative of the Division of Drivers Licenses, announced on conferring with local police authorities here today.

In a State-wide drive to stop property damage, injuries and deaths, the State Department of Motor Vehicles is reviewing all citations issued during 1946-47. Drivers who have repeatedly broken traffic laws will be ordered to appear before a Department representative, to show cause why they should be allowed to continue to drive. This ambitious program, which will be a continuous program, resulted from an investigation by the State Legislature Interim committee on Motor Vehicle legisla-

tion whose recommendations have the whole-hearted approval of Governor Earl Warren.

Thousands of drivers who have forfeited bail or paid fines in the past now face suspension or revocation of their licenses. These drivers will be summoned to the State Motor Vehicle office nearest their homes, given hearings and then either be placed on probation, have their license privileges suspended, or revoked, or warned according to the severity of their record.

From now on the record of any driver involved in collisions that a normal and prudent driver could have avoided or those whose violations indicate that they are "negligent" operators of motor vehicles, will be reviewed. A check will then be made of Department files in Sacramento to determine if the driver in question has received citations in other cities or districts. Then if his record fails to pass muster, the hearing will determine whether he should be ruled off the highway.

Congrats to the San Diego County Pipe Band which marched away August 16 with first prize as the most outstanding unit of Chula Vista's Fiesta de la Luna. Sherman W. Pethley of 4145 Voltaire is manager and drummer with the organization and told The News he is mighty proud of the blue ribbon.

**Several Speakers
On Program Monday
Of Garden Club**

By Marian Kretzler

In the absence of Mrs. B. H. Nielsen, president of the Ocean Beach Woman's club, Mrs. Joe Beardsley presided at Monday's meeting of the new garden section, held in the patio of the Rosecroft Nursery, at the invitation of Mrs. Don Hunter.

Mrs. Louis P. Zill, county chairman of Woman's clubs, spoke briefly of the historic bit of land where the large audience was seated, recalling the biology of the Point Loma-Ocean Beach area. Mrs. Buchner, district garden chairman, was introduced.

Mrs. C. W. Early read a charming poem, "Romance of the Flowers," and followed with her own composition, a rhymed tribute to trees. County Federation Hostess Mrs. Mills, welcomed the group, and Mrs. Sally Bancroft, president of the Alfred D. Robinson branch of the begonia society, spoke on the culture of that favored flower. She stated that the tuberous begonia is hardy, easily grown and not subject to pest infestation.

The noted landscape artist, W. S. Sinjen, spoke informatively of plant and shrub culture, and answered many queries from the audience.

Mrs. Frank Levin urged acquaintance with garden terminology, and Mrs. D. R. Wallace's subject was "What to do with the garden in September."

Mrs. Heber Hartvigsen sang two garden selections, and during the social hour, Mrs. Hunter conducted groups through the nursery, telling of her rare plants, their origin and care. Mrs. E. D. Buffalo, chairman of the garden committee, chose as her hostesses Mmes. Lyle Burkett, W. H. Valentine, J. D. Christy and Brady. Mrs. C. W. Early poured.

The garden group will meet again September 29 at the home of Mrs. Lyle Burkett, 1195 Santa Barbara St. All women of this area interested are invited to attend.

Sally Bancroft announced a meeting of the Alfred D. Robinson branch of the begonia society for 7:30 p.m. the fourth Friday of the month at Loma Portal grade school on Browning St. and invited the new garden clubbers to be present.

The Don Hunters have a matchless patio, but not nearly enough chairs for a large assemblage. Through the interest and courtesy of Ed and Nat Schoen of the local Lions club, chairs from the Woman's clubhouse were transported to and from Rosecroft.

The girls who run these check-writing machines are mighty important people . . . not only in the lives of our 67,000 employees . . . but in your life, too. For they write thousands of checks each month. And all these checks, as they go into circulation, add to the total prosperity of everyone living in the communities we serve in the Pacific West.

The monthly paycheck to our employees has been getting bigger all the time. In a year's time it has grown from nearly \$13,500,000 to about \$16,000,000. Thousands of new people have come with us to help with the big job we must do to meet the West's tremendous growth . . . and our employees are getting the best pay rates ever.

About 60 cents of each dollar you pay for service is for employees . . . almost all the rest goes for taxes and other operating expenses. A few cents of each dollar go to more than 700,000 people, many of them Westerners, whose savings built the telephone system. Yes, your telephone dollar serves you, the butcher, the baker and the whole community.

New Working Dollars . . . Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from tele-

phone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

Newlyweds Cut Cake

Nance-Heffern Rites Outstanding In Late Summer Weddings

People are beginning to say August is stealing June's glory and with good reason. The traditional wedding month this year fell far short of the late summer season for nuptial affairs. One of the most distinctive of these later marriages was the uniting August 15 of Marion Nance, daughter of Mr. and Mrs. Claude E. Nance, of Ocean Beach, and Kenneth W. A. Heffern, in Chula Vista's Chapel of the

Roses. The candlelight ceremony was impressive with the chapel decorated with banks of white and pastel blooms. The bride was lovely in white satin, with a French illusion veil framing her youthful face. She carried a bouquet of gardenias and orchids and was given in marriage by her father, Claude E. Nance. Miss Joan Hollobaugh of Ocean Beach was maid of honor, dressed in a charming gown of aqua organdy. Misses Bonnie Copeland and Pauline Zakzeski, both of San Diego, with ushers Mason Teeters

and Fred K. Osborne, completed the wedding party. Rev. Lindsey read the service.

Music was supplied by Miss Jacqueline Marshall, soloist, accompanied by T. Morley Harvey at the organ.

A reception for 100 guests was held afterward at the home of the bride's parents, Mr. and Mrs. Claude E. Nance, 4646 Bermuda. Mrs. Nance received in a pale aqua gown accentuated with brown accessories and wore a corsage of yellow roses. The groom's mother, Mrs. Robert K. Heffern of San Diego, was dressed in a rose-colored gown, with which she wore a corsage of roses. Present for the occasion were Mrs. Don Rasmason and Mrs. Phillip Campbell, of Annapolis, Calif., Mrs. Mandy Thorpe of Santa Rosa, and Mr. and Mrs. Felix Brown of Los Angeles.

Following the reception the newlyweds departed on their wedding trip to San Francisco and Los Angeles, Marion having prepared an ensemble of green dress, black accessories, and a grey coat. On their return the couple will live in Ocean Beach.

Miss Nance was graduated with Point Loma high school's class of 1945. Since that time she has been employed with the telephone company. She is well known locally for her musical activities, as she has played with several musical organizations here.

The groom was graduated from

Polytechnic High school in Los Angeles and at present is employed as a telephone lineman. He served as a combat engineer with the United States Army for three years during the war.

Mrs. Loy Appointed Rehabilitation Head Of Legion Auxiliary

At the meeting Aug. 21 of the Clyde A. Wright Post Legion Auxiliary, the president, Florence Allen, read the resignation of Margaret Brown, rehabilitation chairman. Mrs. Allen then appointed Gordene Loy to fill the vacancy.

Myrtle Orrick, historian, wishes to thank all the members for the lovely cards and flowers. Chaplain June Andresen reported that Winfred Dahlheim, first vice president, is home ill.

Refreshments were served by Della Hodges. They were furnished by Winfred Dahlheim and Mrs. Hodges. The next meeting will be a social meeting to be held Sept. 4 at the Ocean Beach Woman's clubhouse.

WHIST PARTIES

The Ocean Beach Woman's club announced this week that the organization's weekly whist parties are still being held each Saturday at 8:15 p.m. in its clubhouse at 2160 Bacon. Prizes are awarded.

LABOR DAY OF 1947

As labor prepares to celebrate its annual day the mills and shops and factories of America are humming with activity in the effort to meet the still-unsatisfied public demand for goods of almost every kind.

And the outlook is for continued full production. The oft-predicted recession has completely receded from the business horizon and more than 60 million persons are now employed.

During the past year certain labor leaders have come in for some sharp and justified criticism for their conduct. But taking labor as a whole—the mass of earnest working men and women—it is deserving of great commendation for the job done.

Industrial strikes and disputes have been spotlighted in the news. But we hear little of the millions of wage-earners who have consistently reached agreements with employers without work stoppages.

SEPTEMBER 1, 1939 RECOUNTED.

Eight years ago on the first day of September 1939, the war of words between Hitler and the diplomats of Poland, England and France came to an end and the war of guns began.

Almost up to the last moment there was a widespread feeling that in spite of the verbal thunder echoing from one European capital to another, armed conflict would be avoided. Hitler, it was pointed out, did not have the resources to fight a war. He was bluffing. He would go the limit short of war to get what he wanted. But he didn't want war.

Well, all those contentions seemed logical then. The only trouble was that they didn't pan out. Undoubtedly, Hitler would have preferred to get what he wanted without a fight at that time. It would have given him additional time to build up his military power. But when he saw that the game of bluff could be carried no farther he hurled his legions against Poland and then took to the radio to defy the world.

If the world then could have foreseen the events that were soon to follow it would have been even more gravely concerned with the attack on Poland than it was. Within 10 months after the first shot was fired Hitler had conquered France and was squatting on the English channel while Britain prepared for a desperate last-ditch defense.

Hitler thus came fearfully close to victory—but not close enough. In July 1940 it appeared that he couldn't lose. Three years later it was apparent he couldn't win.

Now, eight years after his troops started their attack on Poland, Germany lies in ruins and the people who followed him blindly seek to eke out a livelihood. They will not soon forget September 1, 1939.

Neither will the rest of the world.

BULL PUP TRAINED HERE IS A DOG SHOW WINNER

"Runny" a seven months old Boston-bull pup owned by Mr. and Mrs. Harold Armour of El Cajon and trained by Mr. Armour's parents the Allen Armours of 4676 Lotus St. in Ocean Beach, walked stolidly off with four placement honors in the Silver Bay Kennel Dog Show held last weekend in San Diego. "Runny" was cited for first place in the puppy class, two third places and one fourth place in other classifications.

ECHOES OF THE PAST

The following items are taken from the Beach News of September 3, 1927.

With a Labor Day weekend in the offing, citizens of the Beach were anticipating a gay climax to summer, with tourists and visitors swelling the population considerably.

And the kids were gloomily considering their inevitable return to school, getting in their last licks at freedom before the dread summons.

In days' long before blood banks, Miss Agnes Castien offered her own blood to save the life of a little girl in the general hospital.

The I. W. Parks were guests at the Newport Hotel.

Snakeskin shoes and bags are one thing we still applaud, but back in '27, dresses and coats were also made of the stuff and the ladies considered it quite the thing, too.

A speaking contest was held by a San Diego real estate company, with prizes going to the best community salesman. The Ocean Beach representative certainly had the material to work with and could easily have made a clean sweep.

The Fleet was expected to return to its home port, and Beach residents were preparing a real welcome for the boys. Flags were unfurled, bands played, and altogether it was a joyous occasion.

On the new radio sets, "The Neighbors" was perhaps one of the first of the soap operas. The local boys scouts beat the other organizations to the draw by holding their first meeting of the fall before any other group.

Market Basket and D. Pogrell, a Cub Dad.

The July meeting was a well-attended beach party, at which the Cubs enjoyed roast wieners, pop and other refreshments. Eight dozen cup cakes were donated by Harold Thoma of the Newport Pastry Shop. Marshmallows and gum were distributed by Cub George Smith and his dad to Cubs and parents attending.

An Indian Powwow is planned for the September Pack meeting. Leaders hope the event will be a successful fall roundup of parents and Cubs.
